Subject: Re: Emeryville Awarded \$84K for Summer Youth Jobs!

Dear Karen ;

A City councilmen wrote me that the City Manager or his office should be able to provide me with the list of the recipients of the " donation " monetary award for what ever reasons and whatever project under whatever name or program or political situation or " investment ". This is a broad request but with your instruction I could come with specific instances as long as it is funds generated by the public that should be public record. Should I come in person ? Do you have a written request form available ? you may call me at 510 292 9807
If you need clarification , please let me know,.
Thank you. Andre'.
